*Finding the inner source  
that leads to expressive music-making*

Wissam Boustany - Flute

with

Elizabeth Rowan - Flute

Aleksander Szram - Piano

*You are invited to a special flute day taking place in Leicester.  
Flautists of all ages and abilities are welcome to participate. Performers and  
auditors are welcome in the masterclasses and Elizabeth will also be working  
with the younger and less advanced players in classes and a flute ensemble.*

*Wissam and Aleks will give a recital at the end of the day, together with  
Elizabeth, the flute ensemble and some of the leading participants, who will  
be able to share their progress with the audience.*

*Come and improve your flute playing in a friendly, non-competitive environment.  
You will explore ways to play with more expression and power.  
Reap the benefit of bigger rewards by learning how to take bigger risks!  
Experience the thrill of breaking through personal barriers  
and the joy of communicating through your flute!*
